

Raploch Urban Regeneration Company & Stirling Community Enterprise Limited

Managing Director

35hrs per week across Monday – Friday **flexible working requests are welcomed and would be discussed at interview stage*

Permanent

Salary: £45,731

Closing date: Friday 18th January 2019 5pm

The Board of the charity, Raploch Urban Regeneration Company (RURC), is seeking applicants for the role of Managing Director for the charity in addition to its trading subsidiary Stirling Community Enterprise Ltd (SCE).

Stirling Community Enterprise is an ambitious organisation and social firm with a passion for high quality commercial and training services that support people facing social and educational disadvantage across the Stirling Council area. The organisation prides itself on its local reputation for high quality and the care of those it supports.

As the delivery vehicle for the charitable objectives of RURC, SCE has 2 key service areas;

- **Commercial Contracts;** specialist road reinstatement team delivering high amenity civil works, footpath and road repairs and ground care contracts. This service aims to increase income levels in addition to creating jobs for target groups.
- **Training Services;** an experienced employability and vocational training team supporting people who face disadvantage through the delivery of mentored non-accredited and SQA accredited training in partnership with local businesses. This service aims to progress people into further education, training or employment.

The Board are seeking applicants who have relevant skills and enthusiasm and dedication to deliver on the Company's business plan. **Increasing self-generated income through existing or new commercial services in order to continue to improve outcomes for people across the Stirling Council will be the key priority for the post holder.**

We are specifically looking for people who have an entrepreneurial approach with experience generating unrestricted income streams to reduce the organisation's grant dependency. This experience may have been developed within a public, third or private sector.

Specific specialisms in civil works, business development, construction, subcontracting or any other relevant sectors are welcome.

SCE offers a generous holiday package of 29 days plus 7 public holidays, Special Leave allowance, and Pension contributions of 3% of salary in excess of qualifying earnings.

Applicants should complete an application form and email to contact@stirlingcommunityenterprise.co.uk by 5pm on the closing date noted above.

Interviews

Short listed candidates will be invited to interview on Thursday 31st Jan & Friday 1st February 2019.
